

Name: _____

"American History 2" End-of-Course Assessment STUDY GUIDE

All 9th grade students are required to take a District-approved End-of-Course Assessment at the completion of their American History 2 course.

This assessment will be given across the District on: _____.

The End-of-Course Assessment is designed to see how well students understand the material covered during their second semester and is aligned with Ohio's Academic Content Statements.

Two different types of questions will appear on this test: multiple choice and short answer responses. Specifically:

- 35 multiple choice questions @ 2 points each = 70 total points
- 2 short answer questions @ 15 points each = 30 total points
- This test is worth 100 points and constitutes 20% of a student's Semester grade.

The following is a sample question:

Which of the following statements concerning the Spanish-American War is correct?

- A. At the end of the war, Cuba became a Spanish colony.
- B. At the end of the war, Puerto Rico and Guam became U.S. territories.
- C. The Treaty of Versailles ended the Spanish-American War.
- D. At the end of the war, the Philippines won their independence from the U.S.

Content Statement #15

The correct answer is:

- B. At the end of the war, Puerto Rico and Guam became U.S. territories.**

This "Study Guide" contains the important information that all students should know in order to be successful on the End-of-Course Assessment.
